Dear Mr Wills

**Brentwood Residential Estate, Bellbird Park, Queensland (EPBC2013/7074)**

I refer to your email of 30 October 2015 on behalf of Investa Properties Pty Ltd requesting a variation to the Fauna Management Plan (30 October 2015) for approval by a delegate of the Minister pursuant to condition 11.

The requested variation to the Fauna Management Plan (30 October 2015) has been reviewed by officers of the Department and has been found to provide equal protection to the matter protected, in this instance the Koala. On this basis, and as delegate of the Minister for the Environment, I have decided to approve the revised Plan pursuant to these conditions.

Under condition 11, if the approval holder wishes to act other than in accordance with this approved plan, they must submit a revised plan for approval. Until the Minister (or their delegate) has approved the revised plan, the approval holder must continue to implement the original plan.

If you have any questions, or require further information, please contact Cassandra Elliott on (02) 6275 9539.

Yours sincerely
